

Fundraiser Project

You are going to help create a fundraiser event in school. Use the template and questions below to plan your event successfully.

Section 1:

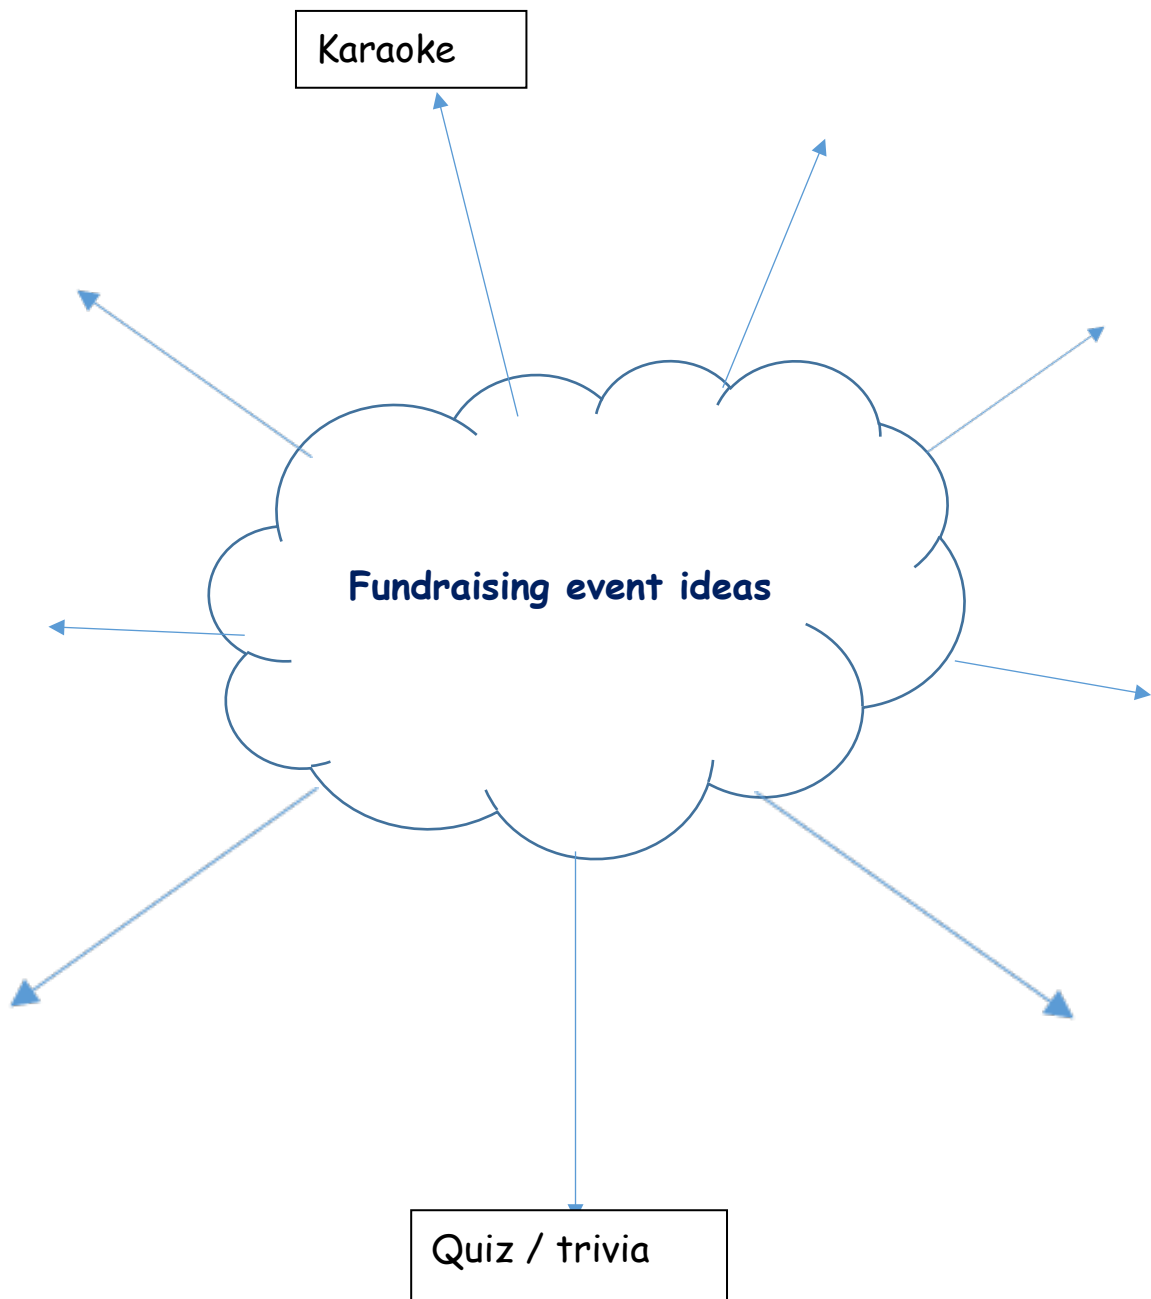

What are we raising money for?

Research three different charities that we could raise money for. Complete the following information.

	Charity 1	Charity 2	Charity 3
Name of the charity			
Website address for the charity			
What does the charity do?			
Why did you pick this charity?			

Section 2:

Complete a thought shower of what we could do as a fundraising event. Some ideas have already been written for you.

Section 3:

Choose your favourite fundraising idea and write it on the line:

Think of three names to call your event:

1. _____

2. _____

3. _____

Which is your favourite name?

Section 4:

What resources do you need for your event?

Section 5:

Design a poster to advertise your event:

Section 6:

Make and attach an example of some of the resources you will need. For example if you are doing a trivia quiz, attach a list of questions you would ask.

If you are doing a karaoke event, write a list of the songs/ music that will be available for people to sing along to.

Section 7:

If you have access to iMovie, make a radio advert to advertise your event.
