

NAME: _____

plant &
animal

Pick an activity until you finish
them all!!

CHOICE BOARD

<p>Leaf rubbing Find leaves with different shapes and sizes. Place a piece of paper over the leaf. Rub over the leaf with a pencil or crayon.</p>	<p>Spot the living thing Find a living thing outside. Write as many sentences as you can about it. Use the Internet to help you.</p>	<p>Say cheese! Take a photo of your favourite non-living thing. Write about why it is your favourite.</p>
<p>Life cycles Create a poster of the life cycle of a plant (use the Internet to help you).</p>	<p>Role playing What is your favourite animal? Pretend to move and act like it. What does it do?</p>	<p>Collecting flowers Collect flowers from outside. Create a poster with your favourite flowers. Tell an adult what they look and smell like.</p>
<p>Plant types Take photos of different plants you find outside. Describe the plants to an adult or write about them.</p>	<p>What do plants need? Write a book about what plants need to grow. You can use paper, tablet or computer.</p>	<p>Where would you live? Draw a picture of an animal's habitat. It might be the jungle, desert or rainforest.</p>
