

# ART

Home Learning Term 2

Room 5 & 7

Choose an activity a week that you can complete at home. Upload to Seesaw when you have finished the activity. Do not worry if you do not have art materials at home. You can use Seesaw or Doodle Buddy to create your drawings. You can also use the camera on your iPad. If you do not have access to certain apps just do the activities that you can or make up your own activities to upload to Seesaw.

Creating art can help us to **relax** our mind. Put some music on and enjoy!

Please check with an adult before going outside or taking photos of objects in your home.

## Visual Arts Choice Board

### Colours Everywhere

Look around your house and in your backyard for colourful objects. (flowers, leaves, fruit, toys, pencils) Photograph at least 6 colourful objects or objects that are the same colour. Use the PicCollage app to arrange your photos in a grid. Add a heading for example "Colours Everywhere" or

"The Colour Green"

Example PicCollage

### Photograph

Ask an adult if you can go outside to photograph a leaf. Get up close and take a picture of the leaf. Can you see the veins in the leaf? What colour is the leaf? Now draw your leaf. You can use Doodle Buddy or your own pencils.

\*Upload your photo & drawing to Seesaw.

### Make a picture with natural or recycled materials.

Gather natural materials from your garden or recycled materials from inside your home. Create a funny face. Choose items for a nose, eyes, mouth, ears and hair. Be creative with your designs!

\*Photograph & upload to Seesaw

### Observational Drawing

Choose something in your house or backyard. For example a piece of fruit or a favourite toy (bike, Lego). Look carefully at the object and draw what you see. \*Upload a photo of your object & your drawing to Seesaw.

### Imaginative Drawing

Use the Doodle Buddy drawing app or your own pencils and paper to create a drawing from your imagination. It can have magical creatures such as dragons, fairies or comic heroes. You can create your own story in this drawing.

\*Upload to Seesaw. Make a comment or use the microphone to talk about your drawing.

### Lines & Shapes

Create a drawing using different lines and shapes. You need to have the following in your picture.

#### Lines

1. straight
2. wavy
3. zig zag
4. spiral

#### Shapes

5. triangles
6. Squares
7. circles
