## Gallery websites

Many galleries around the world are providing virtual tours that you could explore with your children.

<https://www.tate.org.uk/kids>

Fun interactive art activities and videos for learning about different styles of art and famous artists.

<https://www.ngv.vic.gov.au/ngv-learn/>

Explore Australian art and international art/virtual tours/ education activities

<https://nga.gov.au/education/index.cfm>

Explore different artworks from Australian and international artists

<https://www.moma.org/magazine/articles/254>

An excellent resource for a variety of art making and art appreciation activities.

## Apps that you could use to make art or read about art.

**Doodle Buddy**- Free drawing app

**Seesaw** -You can use the drawing tool within the Seesaw app to create images.

**PicCollage** -Great app for making collage art- take photos or find images from the internet

**Tromaramix** -NGV free app for animation. Use playdough to create creatures or use Lego or any toys to create an animation. This is a fun app for the whole family.

**Epic** -Reading app with a variety of educational books. Read about famous artists.

**Book Creator**- Create your own book and illustrate the pages.

**ChatterPix/Kids**- A fun app that allows students to animate their artwork.
